Property Description
The property is approached via a generous hardstanding driveway, offering ample off-road parking for multiple vehicles. A neat front lawn, framed by mature shrubs and vibrant planting, adds to the home's kerb appeal. Step through the UPVC front door into a welcoming hallway, complete with a practical storage cupboard perfect for coats and shoes.

The lounge is a bright and airy space, enhanced by dual aspect windows that bathe the room in natural light. A gas flame fireplace with a charming surround provides a cosy focal point, while coved ceilings add a touch of character. The kitchen is fitted with shaker-style units in a wood-effect finish, complemented by tiled splashbacks and flooring. It offers space for a freestanding fridge freezer and dishwasher, with an integrated oven and hob completing the setup. Adjoining the kitchen is a delightful breakfast or dining room—a versatile area ideal for enjoying morning coffee, family meals, or even as a peaceful home office or reading nook.

The sleeping accommodation is generously proportioned across four bedrooms. The main bedroom enjoys views over the rear garden, with a large window drawing in the light and a built-in mirrored wardrobe providing excellent storage. The second and third bedrooms offer flexible space—ideal as bedrooms, additional lounges, or hobby rooms—while the fourth bedroom, currently used as a snug, features sliding doors leading out into the garden and an easily removable fireplace with an electric fire.

The family bathroom is partially tiled and fitted with a bathtub, hand basin, and WC, while a second separate WC adds further convenience—particularly for larger

households or guests.

To the rear, the southwest-facing garden is a sun-soaked haven, ideal for relaxing or entertaining. A well-kept lawn is bordered by timber fencing for privacy, and a patio area offers the perfect spot for outdoor dining. A pathway leads to a side entrance to the garage, with an additional storehouse offering practical storage for tools or garden equipment.
