Property Description

Set back behind a generous hardstanding driveway providing ample off-road parking, this attractive home is complemented by a single garage with power, ideal for storage. An open porch shelters a composite front door with double-glazed inserts and a matching side panel, creating a welcoming first impression.

Stepping inside, you are greeted by a bright entrance hallway finished in elegant Karndean wood-effect flooring and modern, neutral décor. From here, there is access to a convenient ground floor WC, fitted with a wash basin, tiled splashback and WC – perfect for guests and day-to-day family life.

The main lounge is a spacious and inviting room, offering plenty of space for a full range of lounge furniture. A large bay window floods the room with natural light and provides a charming focal point, making it an ideal setting for relaxing or entertaining, with ample power points and television connections thoughtfully positioned.

To the rear of the property sits open-plan kitchen/dining room, designed as the true heart of the home. Sleek high-gloss wall and base units are complemented by wood-effect worktops that extend to the upstands and matching Karndean flooring, while a practical breakfast bar creates a relaxed space for casual dining or food preparation. Integrated appliances include a double electric oven and grill, fridge freezer, dishwasher and a five-burner gas hob with extractor hood. Recessed ceiling lighting adds a warm ambience, and the dining area comfortably accommodates a table and chairs for family meals and entertaining.

Beyond the kitchen, a separate utility room continues the same modern cabinetry and provides plumbing for a washing machine. A composite door from here opens directly onto the rear garden, offering excellent practicality for everyday living.

Double doors from the dining area lead into a bright conservatory, fitted with an insulated roof and enjoying a desirable south-facing aspect. With panoramic views across the garden, this is a superb additional reception space – ideal as a second sitting room, garden room or peaceful retreat.

The first floor opens onto a spacious landing with access to the insulated loft via a drop-down hatch. The principal bedroom is a generous double overlooking the rear garden, featuring integrated wardrobes with additional space for freestanding furniture. An en-suite shower room adjoins the bedroom, finished with Karndean flooring and comprising a wash basin, WC and a glazed shower cubicle.

Bedroom two is another well-proportioned double, positioned to the front of the property and fitted with mirrored sliding wardrobes, while still offering room for further furniture.

Bedroom three enjoys a sunny south-facing aspect with pleasant views towards local woodland and the rear garden, again providing ample space for a double bed and storage.

The fourth bedroom is a versatile single room, ideal as a home office, nursery or guest bedroom.

The family bathroom is neatly presented with partially tiled walls and modern décor, featuring a full-size bath, wash basin, WC, chrome heated towel rail and a large built-in linen cupboard extending above the staircase.

Outside, the rear garden is impressively spacious for a modern home and thoughtfully arranged across two distinct levels. A wide patio spans the rear of the property, creating an excellent space for outdoor dining and entertaining, with a side pathway and timber gate giving access to the front. Timber sleeper steps rise to a large lawned area, perfect for children's play, pets or simply relaxing in the sunshine. The garden is fully enclosed by secure timber fencing and enjoys a highly desirable south-facing orientation.

Situated on Parc Hendre, the property boasts a prime location. Abergele town centre is conveniently within walking distance, offering proximity to local infant, primary, and secondary schools. Abergele itself is a vibrant locale with an array of local shops, gastro pubs, cafes, and various amenities that cater to diverse needs.
